It's not usual, but very infrequently my editor and I manage to smooth out our disagreements over the jokes, just like the picture above.

It's a wonder that we manage to put this work out what with all these disagreements. But sometimes you get pretty okay stuff out of clashing opinions, maybe

Everyone, what you are reading here isn't a manga printed in ink, but the blood, sweat and tears of the numerous people along with the mangaka and editor who pour it in in the process of doing this. Maybe.

.....Wait, I get the feeling I said this last time.

Chapter 43: High School Boys & Mitsuo-kun

So anyway, the most embarrassing thing about Mitsuo-kun, yeah
it's got to be how when we're going karaoke, he'll mainly be singing nursery rhymes.
Eh? Is he trying to be funny?
Nah, seems like he just likes them
What the heck?

When he first ate it in primary school,
Why?
Speaking of which, apparently Mitsuo-kun can't handle kiwis.
Seriously, what an idiot.
Since then, whenever he hears the word "kiwi", his mouth becomes like this.
Hahaha, what an idiot.
ガブ
he tried to eat it whole and the hairs got stuck to his mouth. It was awful.
Hahaha, that idiot.
But for some reason, he told me to turn off the lights and asked for me to call this phone right now.
Once, he was really happy when his parents got him his first cell phone.
Oh yeah, by the way I went to the same primary school as him.

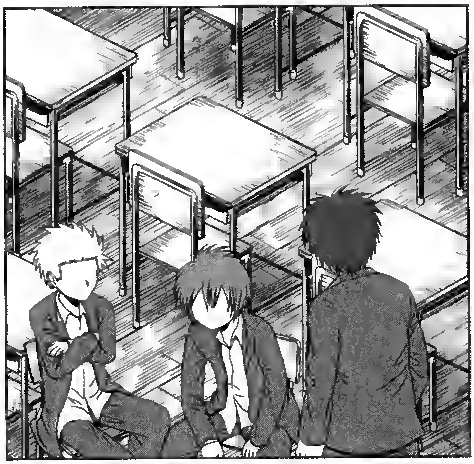
A hopeless idiot for real!
Apparently he thought that you could actually see electromagnetic waves from a cellphone.
What an idiot!
"Watch this! Electricity will flow into this room!"
When I asked him what he was doing, he replied,
Go on.
Yeah?
There was also time I decided to prank Mitsuo-kun.
It was all well and good,
Back in primary school, I swapped his slippers with a girl's.
Man, that's mean!

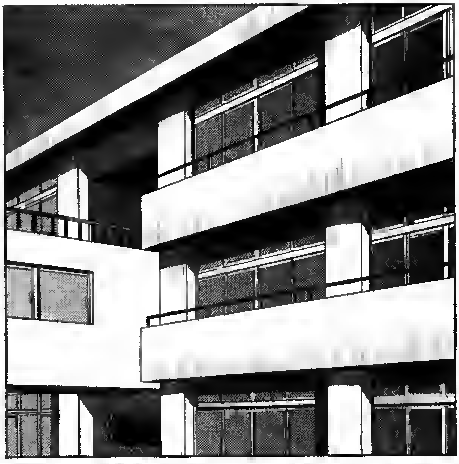
top: Mitsuo, bottom: Habara

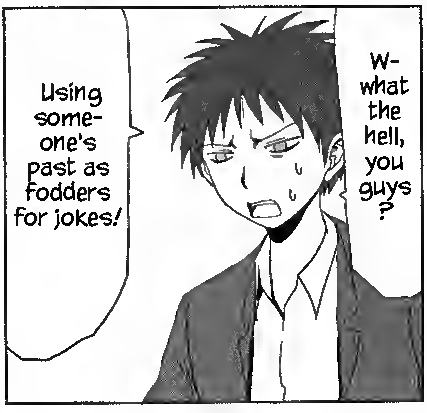
So the prank failed because he's such a fool, huh!
He didn't notice at all?!
Freaking Mitsuo-kun!
Hahaha hahaha !!
but they both graduated without even realizing it!
H-hey guys!
Mitsuo-kun
They're continuing even when I'm right in front of them?!
Oh, right. I've got some more stories about Mitsuo-kun!
What is it?
What's up.

男子高校生の日常 3

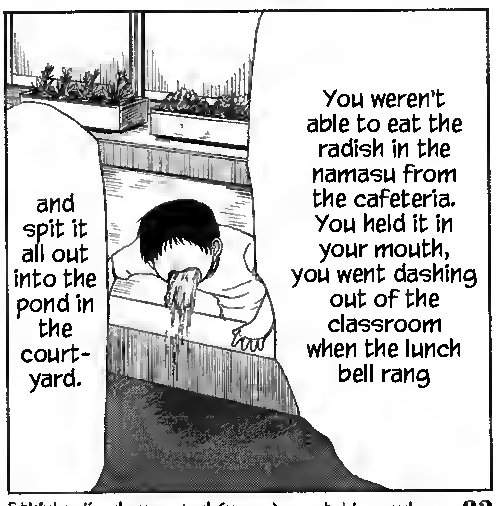
Chapter 44: High School Boys & Mitsuo-kun 2







in some weird way that I can only think made it even harder to drink you poured it into your vegetable soup.
Speaking of which, what about you? You hated milk, so to wash it down

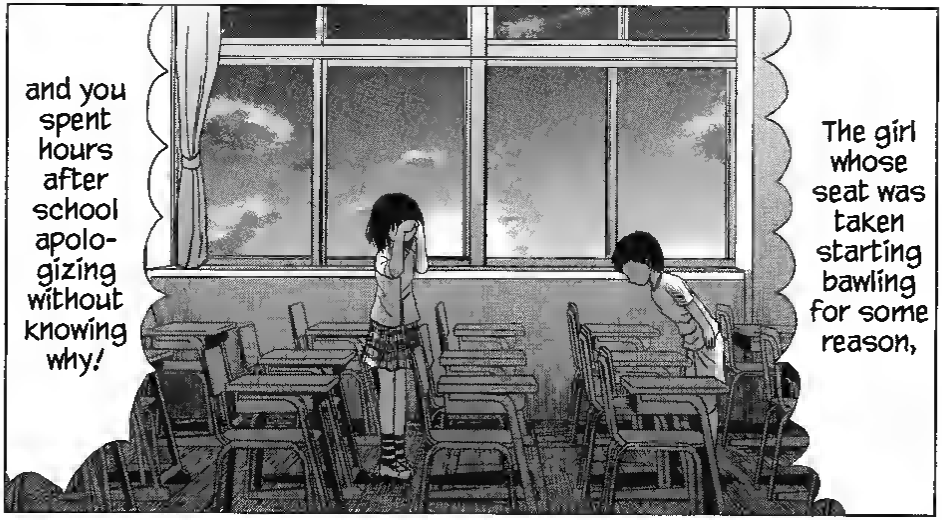


and spit it all out into the pond in the courtyard.
You weren't able to eat the radish in the namasu from the cafeteria. You held it in your mouth, you went dashing out of the classroom when the lunch bell rang

From wikipedia: Namasu is a dish consisting of thinly sliced uncooked (nama) vegetables and seafood, marinated in rice vinegar (su) for several hours, pickling them slightly.

THAT WAS ME, DAMN IT!!
Back then when we were hanging, you'd sometimes suddenly start crying and then run home.
Oh yeah, I have something to apologize to Mitsuo for as well.
You probably thought you'd fooled us all but everyone knew that you had

WAIT, WASN'T THAT ME?!
Sorry.
pooped your pants!
THAT WAS ME!!
Hey, who was it again? During music class, there was that kid who sang so loudly that the teacher told him to shut up?
Why are all your stories aimed at me?!
Why do you guys know so much about me?!
IN 4TH GRADE, YOU SAT IN A GIRL'S SEAT BY ACCIDENT!
HEY, EVEN I KNOW SOMETHING ABOUT YOU, MITSUO-KUN!



The girl whose seat was taken starting bawling for some reason,
and you spent hours after school apologizing without knowing why!

...huh?

Nope, that never happened.

Like hell I'll know!!
Wait, was that me as well?

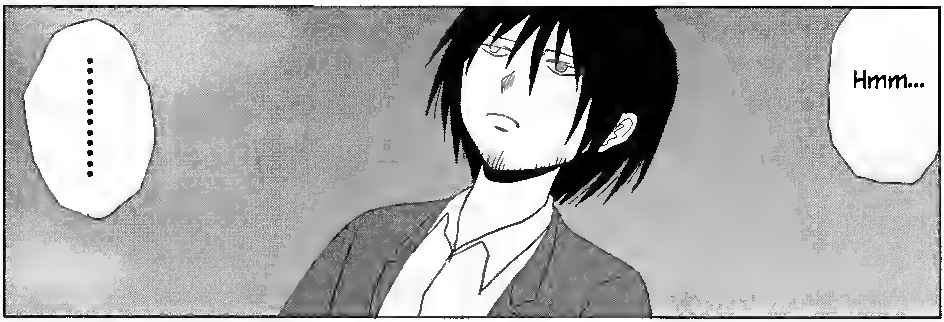
Chapter 45: High School Boys & Motoharu's Elder Sister

Hey, have you ever gone all "Zukyun!" before?!
.....

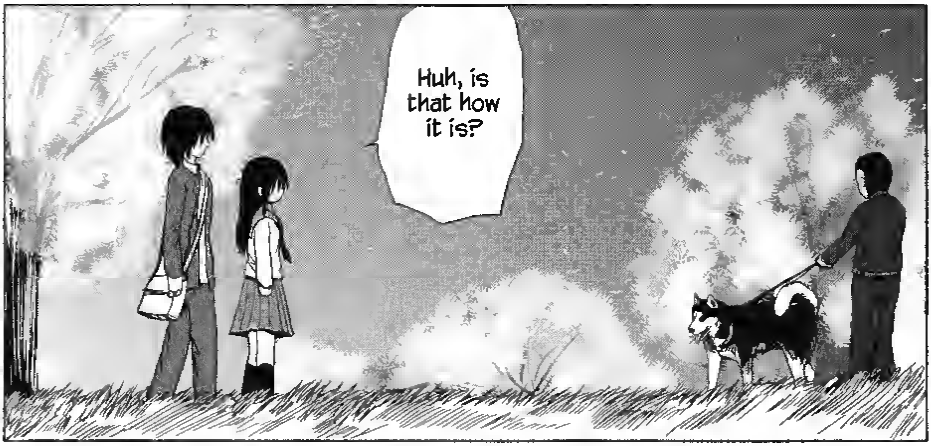
Motoharu! Is Motoharu here?
I'm right here.



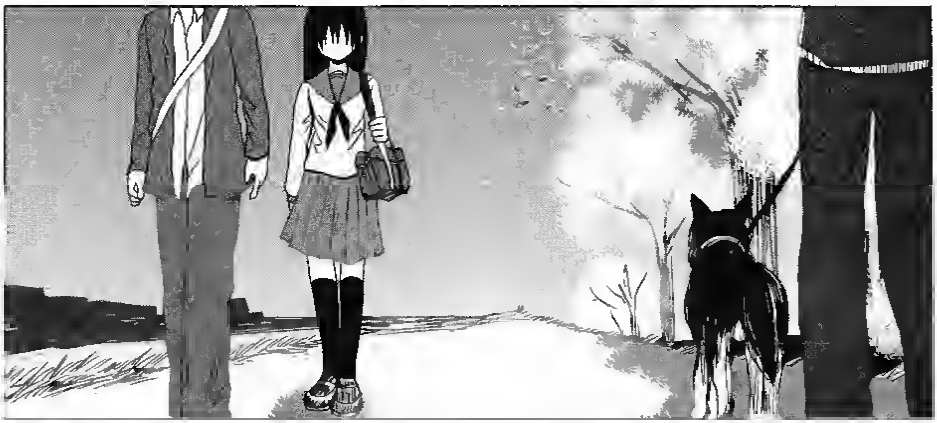
Hmm...
.....

It's not something that fragile!
So, what is it? The sound of being shot through the heart with a lead bullet?
What?!
Nope. Or rather, I don't even know what that means.
Why am I talking about something like this with my sister?
A heart, huh?
Then I was right.
バッ
It's the sound of a heart being pierced!
Let's have curry today.
Hey, why do you think that's the case?!
I've never felt something like that before. I wonder why?

You should stop that. I think perhaps you should try to close the distance between yourself and others.
Well, aren't you always making fun of others?



Huh, is that how it is?



sfx: Zukyuun!

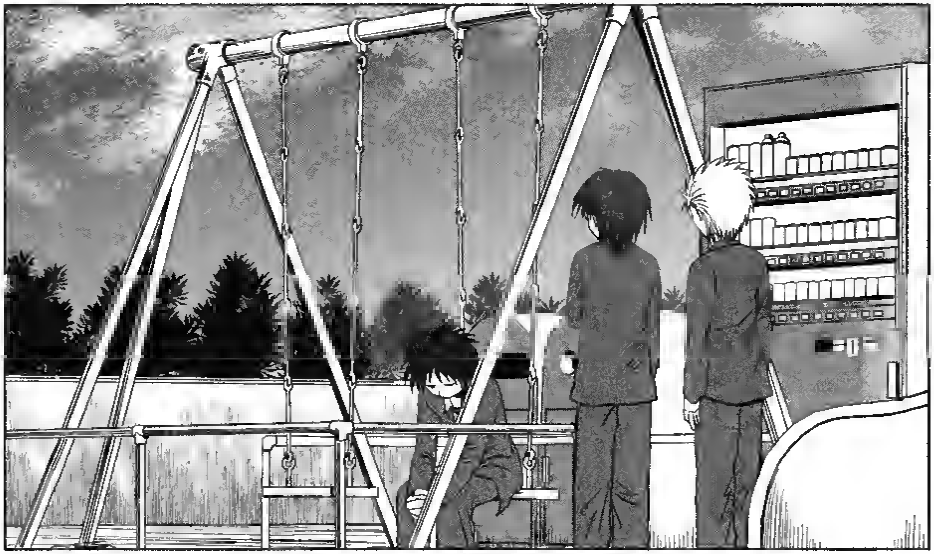
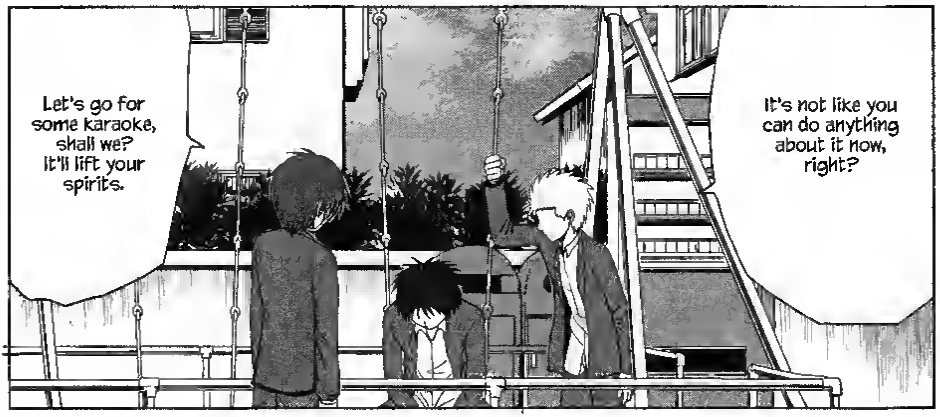
Chapter 46: High School Boys & Mitsuo-kun's worries

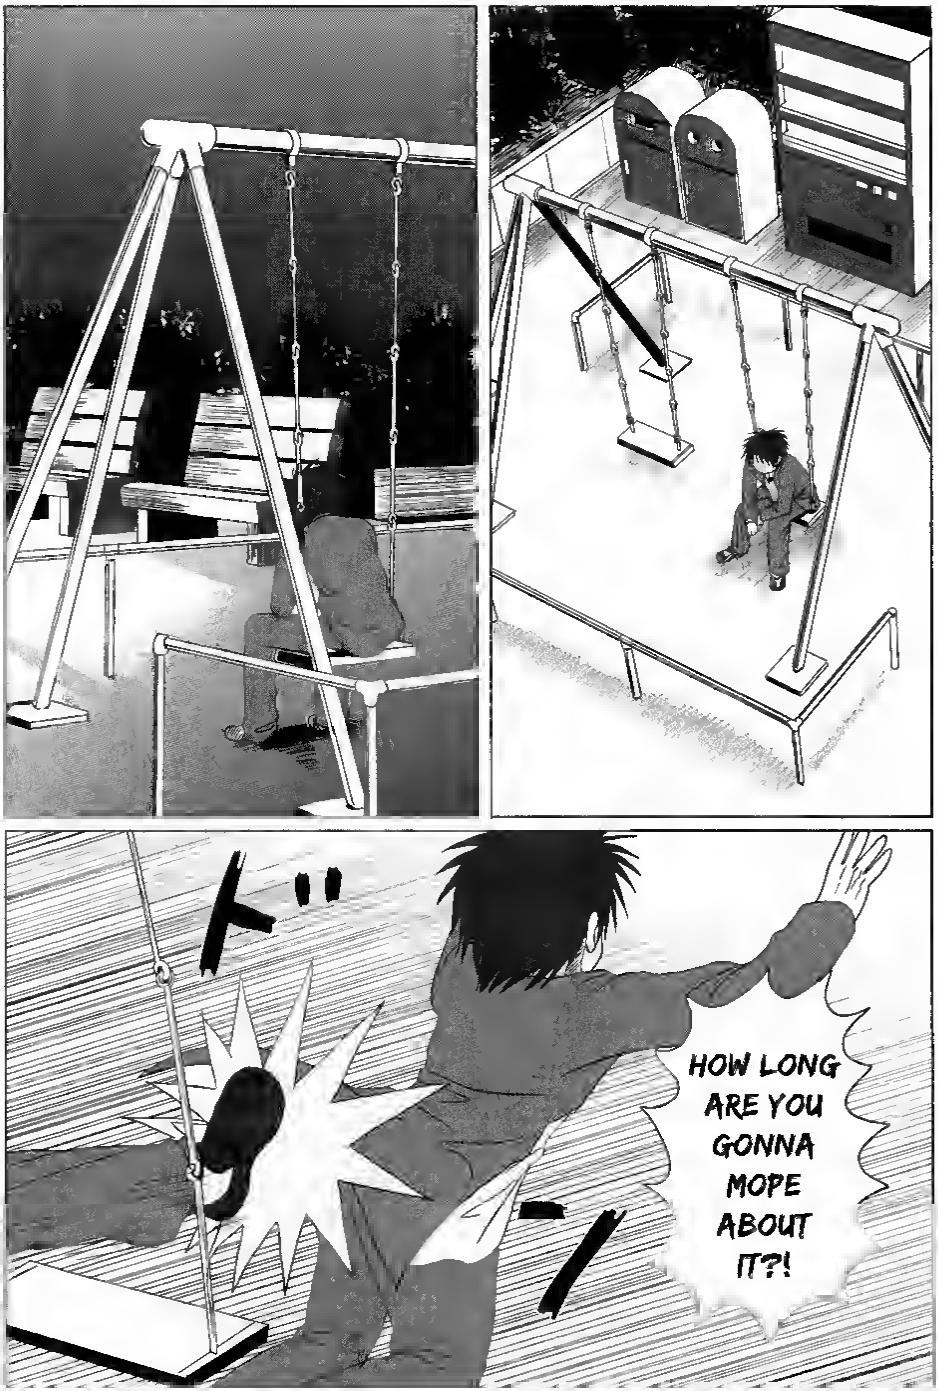


Cheer up, Mitsuo-kun.
There's no need to dwell upon it so much...



Let's go for some karaoke, shall we? It'll lift your spirits.
It's not like you can do anything about it now, right?

Anyway, cheer up. We'll be going now.
I think it's a pretty minor matter, relatively speaking.
It's no good. I don't know what to do anymore.



HOW LONG ARE YOU GONNA MOPE ABOUT IT?!

IT MAY BE ODD FOR ME TO SAY THIS, SINCE I'M A HIGH SCHOOLER MYSELF, BUT I HATE THIS SIDE OF HIGH SCHOOLERS!
GET ON WITH IT!
WE'VE BEEN WATCHING THE WHOLE TIME! HOW CAN YOU MOPE AROUND FOR THAT LONG?
FOUR HOURS! IT'S BEEN FOUR BLOODY HOURS!
JUST DIE !!!

Chapter 47: High School Boys & Manga

I've been reading manga lately.
But what about us? Nothing of that sort has ever happened, right?
In everything I read, some kids around our age are engaged in some kind of frantic, bloody struggle.

I've been thinking, is this really okay and so I started drawing a manga.
Read it.
.....
You know...
You really like these kinds of jokes, don't you? Man, you really need to—
Leaving aside the personal attacks, tell me what you think about the manga.

I get that, but do it anyway.
Well, even if you ask what I think... Honestly, I'm not a fan of this genre...
That's somewhat vague. What don't you get, specifically?
Well... it's just, I don't really get it...
Well, it's a manga...
But it's weird! It's super weird, man.
Hmm, let's see... This scene with the retort. He very clearly punched the guy in the face, right? Wouldn't you normally call the police for something like this? Isn't that kinda weird?

If I tell him about his mistake, he'll never hear the end of it from his manager! He might even quit his job in despair!

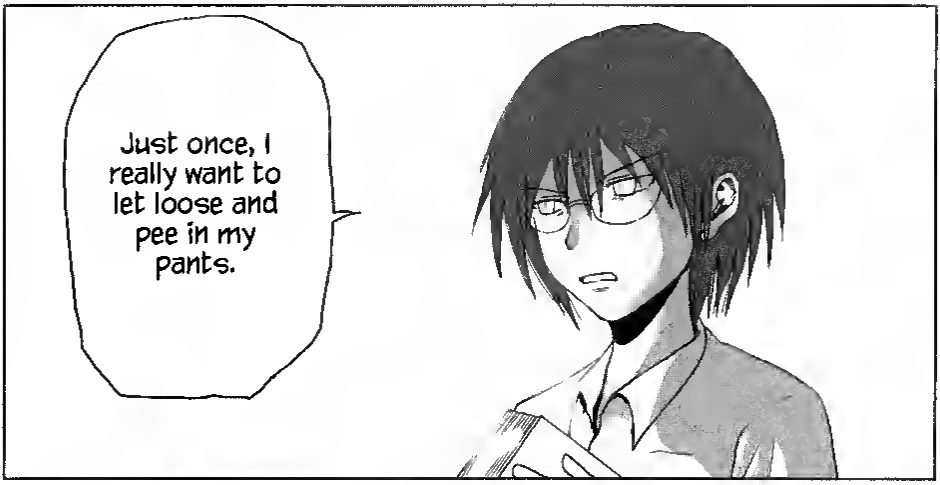
Chapter 51: High School Boys & a Cake

Hey, Hidenori. What do you want to do most right now?
Let's see...
What I want to do most, eh?
Where'd this come from?
.....



Just once, I really want to let loose and pee in my pants.

Something else? Hmm...
Sorry. Is there anything else?

An hour later

Oh, a cake! That's a good one!
I want to be able to eat a whole cake by myself.

What's this? What's going on?
Damn, I have such fantastic friends!
You guys... You put on a good act.
Today's your birthday, right? Eat up.
There's one more thing I want to do!
Wait!
Sorry, I can't handle sweet stuff.

Pie throwing.
バ
Thank goodness it didn't go to waste.

So the exam results were posted and you're number one, huh? As expected of you, Nago.
I'm number two,
but, well, studies aren't really my thing.
So don't get too happy.
Just so you know, what I'm really good at is...
ベコッ

KARATE! BRING IT ON!
I... uh, actually quit karate in middle school...
ビチャ ビチャ
What I'm really good at is...
RAMEN!!

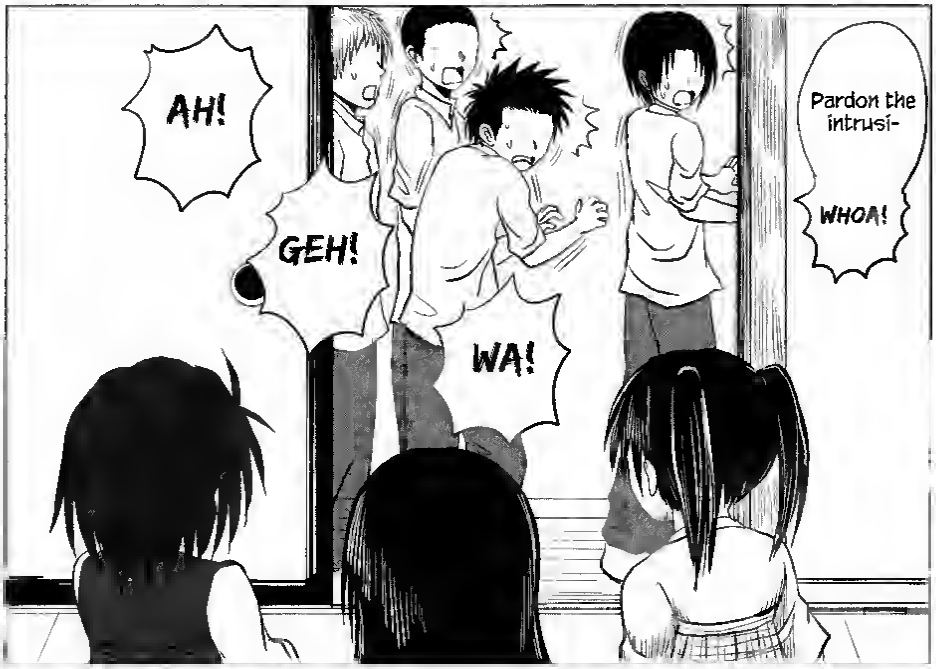
F-fu fufu... Well, this is all part of my plan, Nago!

By the way...

I've been thinking that something is off. Your skirts are too long.
Ok...
Yeah, I guess so.
Let's try making them shorter.
Like this?
It's like a manga.
You fools! If you're going to do it, then do it by challenging the limits of society!
Senpai, you look like an idiot.
How's this?
Will this do?
You look stupid.

Wait, hang on. Am I wrong about this?
Of course not. Be confident.
Ah!
Oh, sorry, but it's almost time for the punchline.
Habara's older brother will see us like this.
Don't need to worry about that! He's a nice, normal guy, so he'd laugh it off if he saw our panties once or twice!
Is that what you're concerned about?!



AH!
GEH!

She was an unparalleled bully. The children who were unable to endure the tyranny of the Archdaemon anymore
thus sought out 10 of the strongest kids from 7 primary schools
and requested a duel with her.

I used to be the Archdaemon's friend.
In the past, I was there when an incident resulted in a guy suffering irreversible wounds.

Chapter 9: Archdaemon

the ten kids bellowed
and the fight began
The Arch-demon cackled
I don't remember too much of what happened afterwards.
Yanagin!
Get a hold of yourself, Yanagin!

After this defeat, Habara the Archdaemon, gradually lost her brutality.

Afterwards, I was selected to monitor her because my house was close to hers, which brings us to where we are now.
